## Testimonials

Thank you for never giving up on me, there were times I was weak and you helped me be strong. There was not one thing I asked for and you made sure I had. I'm very thankful for, even though I no longer have my godmother he blessed me with you. Her love was type you felt it all over you and it was irreplaceable. That same love she gave is the same love you give me. I can come and talked to you about anything and you would give the best advice. You are truly a angel that felled from heaven. You have showed me the key elements to get through life and that's putting my faith in God. You have made a difference in my life. I couldn't have asked for a better spiritual mom, mentor, praying partner, and an amazing role model. I can write a book about how amazing you are. I cannot thank you enough from saving my life. I love you!!!

The writer of the above speaks of the experiences of so many young women. The Purpose, Mission and Vision of Phenomenal Princess is to minister wholeness, liberation, and purity of the Spirit-Soul-Body of young women.

Thank u for everything when we use to talk u would always listen to me and u mean a lot to me. I always felt closer to u more than my own mom. And when u gave me that angel necklace it became special to me it reminds me of u. and to follow my dreams.
